Hello Parents, **November 18, 2020**

Eagle River Ballet is excited to announce that we have scheduled an informal performance for our students this May! Our **Spring Showcase** will be presented **Sunday, May 2** at the Alaska Moving Arts Center. Each performing class will have a time slot devoted exclusively to them. Audience numbers will be limited, based on capacity allowed at the time by government mandates. The audiences will be viewing from the lobby adjacent to the open, large studio where the classes will separately perform.

Learning choreography is a valuable component our students' development. Students will benefit from the learning process, which will support, not undermine, the primary focus of lessons.

Costumes: We will be minimizing our costume design and choices—selecting costume elements to enhance, but also be usable in the future; ie, skirts, leotards, hair accessories, etc. Don't expect glitz.

PLEASE REVIEW THE FOLLOWING REQUIREMENTS:
