

# *Eagle River Ballet*

## **COVID-19 Mitigation Plan**

Classes will be limited in size based on ages and levels.

Students and staff will maintain a safe distance during classes as much as possible.

All will enter/exit the lobby and studio smoothly, without congregating.

Common touch surfaces will be cleaned between shifts and barres between classes.

All will use hand sanitizer before class and as needed.

No staff or student may come to the studio if they are currently exhibiting COVID symptoms, or have had a fever within the the past 72 hours.

Parents will notify ERB director of any possible Covid-19 exposure in their immediate family.

Students & Staff who test positive for Covid-19, or who have been exposed to a positive case, must quarantine. Students must present a negative PCR test result before returning to class.

Students & Staff who travel must quarantine 5 days without symptoms, or present a negative PCR test result before returning to class.

The wearing of masks in the lobby and during class will be mandatory for Students and Staff until further notice.

I agree to adhere to the guidelines stated above, and acknowledge that I have read and understand the ERB Covid-19 Mitigation Plan. *Subject to change based on municipal and state mandates, and the safety of our students, staff, and families.*
